AI MBA Curriculum

FAST-TRACK YOUR EXPERTISE WITH AN ACCELERATED AI MBA

The D'Amore-McKim AI MBA gives you a fast, focused path to build core MBA skills while learning how to apply AI to real business challenges. More than half the program is elective, so you'll tailor your coursework to the areas that matter most to you. Experience is woven throughout, helping you practice using AI to make strong, data-driven decisions. And by choosing our AI MBA, you'll earn an MBA with a major in Business Analytics–a powerful combination in today's tech-driven market.
