ACADEMIC ADMINISTRATIVE EXPERIENCE

**Senior Associate Dean and Dean of Faculty, College of Business Administration
Northeastern University**

January 2006 – June 2011

Key responsibilities included:

- College-wide academic administration
- Faculty recruitment, development & management
- Technology and facilities oversight with gross revenues exceeding \$120 million and approximately 250 employees

The position required successfully working and communicating with various stakeholders including the dean, associate deans, group coordinators, faculty, directors of research & planning, budget, operations, and marketing and necessitated effective interaction and negotiation with various university administrators and staff to enhance service and responsiveness. The role required leadership in establishing and improving programs and policies to enhance faculty achievement. It was expected that the Dean of Faculty would maintain a research agenda to facilitate mentoring junior faculty and serve as role model with senior faculty.

Key achievements include:

- Led development of the Strategic Plan; basis for successful reaccreditation
- Motivated over 25 faculty needing intervention to achieve AQ status
- Ensured tenure and promotion, sabbatical, and research release guidelines and processes were correctly followed and changes made when appropriate

- Formed and worked with innovation roundtable, health care and corporate governance taskforces to pull together faculty around strategic thrusts resulting in numerous faculty publications
- Established bi-annual teaching workshops and teaching mentoring programs
- Developed communication to the faculty on media interaction and brand building assisting in record numbers of faculty sought out for interviews/quotes and thousands of media hits

**Associate Dean, Graduate Business Programs, College of Business Administration
Northeastern University**

July 1995 – June 1997

Graduate Business Programs encompassed the Graduate School of Business Administration and the Graduate School of Professional Accounting. Responsibilities included strategic and operational management of MBA programs (five), MS/MBA in Accounting, MS in Taxation, and MS in Finance, with total annual gross revenues of approximately \$16 million. Program delivery area included main campus, three satellite campuses in Greater Boston, and Summer International Program sites (France, Eastern Europe, and Southeast Asia). Specific duties included curricula, staff, faculty oversight, and budget. Staff provided all marketing, admissions, program administration, student servicing, and career development activities for over 1300 students, as well as liaisons with program alumni. Significant achievements included: 18% cost cutting, annual revenue growth of 8-11%, a new Part-time MBA curriculum and transitioning approximately 350 current students to the new program, new joint MS Nursing/MBA program, new graduate certificate programs in Information Resource Management (with College of Computer Science), Logistics, and HRM & Banking (with University College), enhancement of career center service offerings, systematic review of all program offerings and targeting High-Tech MBA program for revision and Coop & Full-time MBA programs for integration.

**Faculty Coordinator Part Time-MBA, College of Business Administration
Northeastern University**

September 1992 – June 1995

Worked with PT-MBA program manager and college staff to ensure quality of services, clients, teaching, and curriculum. Led development of new curriculum.

**Business Policy Area Coordinator, College of Business Administration
Northeastern University**

May 1987 – June 1991

Responsible for development of the Business Policy/Strategic Management area within the matrix structure of the college. Duties included oversight of course curricula and student evaluation, supervision of teaching assistants working with the computer simulation for undergraduate course, and hiring adjunct faculty.
