COURSES

Strategic Management (G)
Global Management (G)
Strategic Management (G)
Strategic Management (G)
The Chief Executive Officer (G)
Analyzing the Financial Crisis (G)
Strategic Management (G)
The Chief Executive Officer (G) Managing the
Global Enterprise (G)
Business Policy
Strategy in Action
Coached International Case Competition (G)

INDUSTRY EXPERIENCE

Professor Giglio's unique background in business, public policy, and finance is rooted in his experience in Wall Street, in public service, in management consulting, and in academia. He served as Executive Vice President at Smith Barney, President of Chase Securities, and Senior Managing Director at Bear Stearns & Co. He also served as Chairman of Apogee Research, a leading infrastructure consulting firm. Professor Giglio held a series of senior management positions with the Federal Government and with both the City and State of New York.

He served as chairman of President Reagan's National Council on Public Works Improvement and chaired the U.S. Senate Budget Commission on Innovative Financing of Infrastructure. Professor Giglio served as chairman of the board for the Intelligent Transportation Society of American and as special counselor to the Office of the Secretary of Transportation. Additionally, he served as vice chairman of the Hudson Institute, a leading public policy organization in Washington, D.C. and a board member of the Pioneer Institute. He has sat on the board of a number of public and private corporations. Professor Giglio has authored five books, authored and co-authored many academic articles and is a columnist for Gatehouse Media, Inc.

RESEARCH INTERESTS

Professor Giglio has research and teaching interests in Capital Markets, Privatization, Technology, Transportation, and Strategy.

SERVICE

Journal Editorial Boards and Reviews

Edited “Using Technology to Improve Transportation” (co-editor Steve Poftak) Harvard Kennedy School and Rappaport Institute for Greater Boston 2013.

Elected to the International Bridge and Tunnel Association Research Board Foundation 2011. Edited “Keep Moving: Transportation Reforms Beyond Revenue” (co-editor Steve Poftak) Pioneer Institute, Boston, MA. May 26, 2010.

Serve on the Editorial Board of “Tollways”, Published by the International Bridge and Tunnel Association.

Ad Hoc reviewer for the Transportation Research Board, one of the six Major divisions of the National Research Council that is the principal operating agency of the National Academy of Science.

Over the past three years, I have reviewed three Major research reports: Transportation Technology Transfer, Estimating Toll Road Demand and Elasticity, and Debt Financing Practices. Also, I review research reports for the Pioneer Institute, The Intelligent Transportation Society of America (a federally chartered organization) and the North American Transportation Competitiveness Council.

PRESENTATIONS

Selected Conference Presentations Since 2007

(Presenter and Author)

“Introduction to Strategic Decision-Making”, The Greater Boston Chamber of Commerce, August 31, 2017.

“How to Develop a Competitive Advantage”, The Econolite Group, Los Angeles, California, Non-Academic (July 9, 2013).
