

360 Huntington Fund Application 2018 - 2019

The 360 Huntington Fund is D'Amore-McKim School of Business' student managed mutual fund. The Fund is open to all students for one credit per semester. If you do not wish to register for this course, you may still audit it for no credit.

The Fund only offers analyst positions to a select team of 24 students who analyze, pitch, and vote to buy stocks. Other applicants who attend class regularly can request a position as Jr. Analysts. Those in Jr. Analyst positions are encouraged to reapply for an analyst position in the future.

Please email your completed applications to alasfoor.b@husky.neu.edu and save the document as "yourname_360FundApplication". Our sessions will take place on Mondays from 5:30 pm - 7:20 pm in Dodge 50.

I. Personal Information

Name: _____ Email: _____
Phone: _____ Degree: _____

How many semesters have you participated in the 360 Huntington Fund? _____
