The E-Learning Difference

Enjoy the advantages of online learning

We understand how important it is to be able to pursue a graduate degree while you continue to advance your career. Our Online MST is a highly respected degree delivered in an innovative format. Learn from anywhere, at any time of the day, while forging a strong, open line of communication with faculty and fellow students. Here are some of the many benefits of online learning with Northeastern:

- **Flexible scheduling**
The program is based on an asynchronous model that allows you to work at your own pace while meeting deliverable deadlines. Your instructors will outline course requirements so you know what to expect and how to prepare.
- **Intimate classes**
We keep our sections to fewer than 20 students. Our small class sizes help to foster a peer network that will encourage discussion and challenge you.
- **Accessible resources**
Resources such as the online library and access to current course materials are available 24 hours a day, 7 days a week, year round.
- **Individual attention**
Your section instructors will engage and challenge you. In addition, they are available to provide support and coaching on a personal level that can be difficult to find in other MST programs.
