## Are You Ready to Lead in a Changing World?

As our world continues to change and grow, new business leaders are emerging at the forefront of innovation. Will you be among them?

Northeastern University's **Graduate Certificate in Leadership and Human Capital** will help you enhance your potential to grow into leadership positions, while exploring topics like managing high performance teams, workforce analytics, developing great companies, and more.

### A LEADING CURRICULUM

The Graduate Certificate in Leadership and Human Capital will help you gain essential business knowledge to raise the impact of your work and manage talent to support organizational growth. Through this graduate-level curriculum, you will have the opportunity to gain key leadership insight. Your coursework will include:

#### One Required Course:

- Managing People and Organizations

#### Electives (select 3 or 4):

- Managing Professionals and High Performance Teams
- Creating an Innovative Organization
- Leadership
- A Management Perspective on Human Resource Management
- Leadership for Environmental Sustainability
- Health Organization Management
- Workforce Metrics and Analytics

In this program, you will have the opportunity to network with students and world-class faculty with expansive industry backgrounds. Building upon these relationships can assist the growth of your professional network and help you accelerate your career.

### A SHORT-TERM INVESTMENT IN LONG-TERM SUCCESS

As a student in this graduate certificate you will take 15 credits over eight months, which is two consecutive semesters. There is a short break in-between semesters during which time you may choose to visit your home country or travel in the U.S.

### THREE CONVENIENT START DATES

Fall (September)	Spring (January)	Summer (May)
Application Deadline: July 1st	Application Deadline: November 1st	Application Deadline: March 1st

> GRADUATE CERTIFICATE IN **LEADERSHIP & HUMAN CAPITAL**
