

→ Full-Time MBA Curriculum

Welcome to a unique model of business education, powerfully fusing world-class academics and meaningful business experience.

With experiential learning at the core, our MBA connects you to the pulse of today’s rapidly changing business world. Your 55-credit program begins with one semester of MBA foundation courses and a career management course. In your second term, your concentration and elective courses begin, which includes opportunities for experience-powered learning. Your second and final year includes a paid corporate residency that lasts for 3 months, 6 months or up to 12 months, in addition to earning the remaining credits toward your degree.

†Corporate residency example timeline is based on 6-month residency. Residency timing may vary, but typically begins in June.

*A personalized course plan will be developed based on student interests and needs. A student will work closely with their advisor on this piece.

**For those pursuing a MBA x Computer Science concentration without a computer science background, there are 4 additional bridge courses required.

The curriculum is subject to change by D'Amore-McKim faculty. Not all electives may be offered every term. You are encouraged to work with your academic advisor when planning your schedule.

Full-Time MBA Concentrations

Reinventing the MBA to meet today's high-tech demands and prepare you to lead in this era of digital convergence.

A truly reimagined business education model, the Full-Time MBA program offers you the opportunity to earn both a business concentration at D'Amore-McKim and an interdisciplinary MBA x concentration in partnership with another Northeastern University college, if you so choose. This pairing of concentrations is designed to give you a comprehensive framework in business and leadership combined with skills in another key area. You'll select two business concentrations or one business concentration and one MBA x concentration.

BUSINESS CONCENTRATIONS

Select one or two concentrations* from the D'Amore-McKim School of Business:

- Analytics
- Brand Management
- Business Management for Healthcare
- Corporate Finance
- Corporate Innovation
- Entrepreneurship
- International Business
- Investments
- Leading People & Organizations
- Marketing
- Marketing Analytics
- Operations and Supply Chain Management
- Sustainability and Business

MBA x CONCENTRATIONS

Select one business concentration and one concentration from a Northeastern partner college:

- Artificial Intelligence**
- Bioinformatics
- Biotechnology Industry
- Cybersecurity**
- Data Science**
- Data Visualization
- Experience Design
- Game Design and Analytics
- Information Ethics
- Media Innovation and Advocacy
- Public Health
- Software Development**

*Choose two business concentrations if not choosing an MBA x concentration.

**For those pursuing a MBA x Computer Science concentration without a computer science background, there are 4 additional bridge courses required.
