

→ MS in Accounting/MBA Curriculum

The fast track to an accounting career—for those without an industry background.

Our MSA/MBA program puts non-accounting majors on an accelerated path toward a successful career. Our 15-month curriculum is constructed in partnership with some of the leading accounting firms, and maintains a sharp focus on both accounting and business insights, **including a four-course concentration in analytics (◆)**. In your three-month, paid corporate residency, you'll work as part of a team at a Big 4 or other top firm, gaining real and valuable industry experience, while also expanding your professional network.
