## The fast track to an accounting career—for those without an industry background.

The D'Amore McKim MS in Accounting/MBA puts non-accounting majors on an accelerated path toward a successful career in accounting. Our 15-month curriculum is constructed in partnership with leading accounting firms. It maintains a sharp focus on both accounting and business insights, **including a four-course concentration in analytics** (◆). In your three-month paid corporate residency, you'll work as part of a team at a Big 4 or other top firm, gaining real and valuable industry experience while expanding your professional network.
