

→ MS in Finance Part-time Curriculum

Worldwide, financial services employers seek qualified financial experts. Take your financial expertise to the next level and meet this need.

D'Amore-McKim's Part-Time Master of Science in Finance is designed to provide you with the comprehensive financial knowledge needed to drive financial strategy in today's tech economy. Core courses and elective offerings help you become a financial expert with the skills to diversify financial portfolios, effectively minimize risks, maximize return on investments, and sustain growth. If you want to pursue the Chartered Financial Analyst designation, your coursework will help you prepare for the exams.
