

## Scavenger hunt in Lithuania

Each team will prepare a 10 slide presentation per team.

Teams would have to work together to complete the following tasks, video or photo evidence would be needed to finish the task. Avoid long written texts! Also brownie points for giving us insight into the business aspects related to the topics in each task.

E.G: Which are the major cities in Lithuania? Whats unique about each?

A photo of the major monument in each city with a 1 line unique fact form history.

A line about what each city's main businesses include. eg. Palanga is known for tourism and amber production contributing to 50% of the Baltic regions amber production. May be a quick video advert on that in order to show how important that business is in the country.

Here are the questions for the hunt:

1. 5 street foods in Lithuania? Find 1 recipe that can be done in the US and explain it.
2. Top 5 Lithuanian hits for 2019-2020? Sing the chorus/main part of your favorite one for us.
3. Top 5 businesspersons? What do each of them do and what's cool about them?
4. 5 holidays in Lithuania? Tell us the story behind one unique holiday there.
5. 5 major events in the History of Lithuania.
6. Lithuanians' favorite pastimes? What does it tell us about their lives?
