

Find your P.A.C. of fellow huskies in D'Amore-McKim, join a Peer Affinity Cohort (P.A.C.) and belong from the beginning!

Why P.A.C.?

In D'Amore-McKim we aim to cultivate an inclusive culture where all students feel that they belong. The P.A.C. Program is a unique opportunity for first-year students to actively engage in the larger D'Amore-McKim community and get connected with a cohort of peers and upperclassmen mentors who share similar identities or interests.

What is the P.A.C. Program?

P.A.C.s are small groups of ~10-15 first year D'Amore-McKim students who share similar career interests, identities, or personal passions. As part of the P.A.C. Program your cohort will be matched with two upperclassmen mentors to help support you in your first semester at Northeastern. You will have the opportunity to meet with your mentors 1 on 1, attend monthly meetings with your cohort, and attend community-wide events to help you get to know other first-year business students.
