BUILD LAW AND LEADERSHIP EXPERTISE

Today's business world is increasingly complex and fast-moving. In this demanding environment, leaders who excel in both law and business have a unique and highly valued role. Our JD/MBA program offers you a pathway to building that sought-after dual expertise.

A dynamic dual degree for a dynamic global economy. In our JD/MBA program, you'll learn the practice of law and master business principles in two chosen focus areas in a fraction of the time it would take to earn separate degrees.

A digital-first focus. Your courses at the School of Law and the D'Amore-McKim School of Business will prepare you to analyze data and apply it to strategic decisions, preparing you to lead in today's tech-forward marketplace.

Unparalleled work experience to power your learning. You'll enjoy incredible opportunities to deepen your learning through experience, including three co-op semesters through the School of Law. That's one of the reasons *The National Jurist* chose Northeastern as the #1 law school for practical training. Our emphasis on case studies, applied projects, and legal co-ops will prepare you to leverage your new experiences for career success.

Northeastern University

Founded in 1898, Northeastern is a global research university and the recognized leader in experience-driven lifelong learning. Our world-renowned experiential approach empowers our students, faculty, alumni, and partners to create impact far beyond the confines of discipline, degree, and campus.

Our locations—in Boston; Charlotte, North Carolina; London; Portland, Maine; San Francisco; Seattle; Silicon Valley; Toronto; Vancouver; and the Massachusetts communities of Burlington and Nahant—are nodes in our growing global university system. Through this network, we expand opportunities for flexible, student-centered learning and collaborative, solutions-focused research.

Northeastern's comprehensive array of undergraduate and graduate programs—in a variety of on-campus and online formats—lead to degrees through the doctorate in nine colleges and schools. Among these, we offer more than 195 multi-discipline majors and degrees designed to prepare students for purposeful lives and careers.
