

# JD/MS in Accounting/MBA

Northeastern University  
D'Amore-McKim  
School of Business

## BUILD EXPERTISE IN LAW, BUSINESS, AND ACCOUNTING

Our JD/MS in Accounting/MBA program prepares you to practice law with a command of business and accounting principles in a fraction of the time it would take to earn separate degrees.

**A dynamic dual degree for a dynamic global economy.** By studying at Northeastern University's School of Law and D'Amore-McKim School of Business, you'll build the expertise you need to excel in the highly specialized fields of taxation, corporate finance, and mergers and acquisitions.

**A digital-first focus.** In our JD/MS in Accounting/MBA program, you'll develop critical thinking skills. A powerful analytics concentration will prepare you to harness big data to gain critical insights and predict future outcomes.

## EXPERIENCE-POWERED LEARNING

Northeastern University is the world leader in experience-powered education. You'll benefit from incredible opportunities to integrate your classroom study with professional experience, including two co-op semesters through the School of Law and a paid corporate residency with a top accounting firm.

**#1**  
Law school for  
practical training  
(*The National Jurist*)

**Two legal co-ops.** In your two legal co-ops you may work at a law firm, international or government agency, legal services or advocacy organization, public defender office, union, corporation, or federal or state court. You may interview witnesses, research and write legal briefs, or represent clients in court.

**One accounting corporate residency.** In your paid, accounting corporate residency you'll work at the associate level during accounting's busy season. Immersed in the day-to-day realities of a fast-paced accounting firm, you'll have real responsibilities and solve problems as part of a team.

## A WORLD OF BENEFITS

**World-class faculty.** Learn from our distinguished faculty—including entrepreneurs, corporate lawyers, general counsels, and executives ready to help you fuse knowledge of business and law to create rewarding opportunities in today's business world.

**Corporate partnerships.** Business leaders and legal experts shape our curricula, lecture, lead workshops, sponsor co-ops, and recruit outstanding graduates.

**Global alumni network.** Our more than 275,000 alumni—founders, partners, directors, managers, and entrepreneurs working in diverse industries—genuinely enjoy giving back to the university community.

**Personalized career guidance.** Your dedicated advisor in the School of Law will become a trusted partner, helping you explore career pathways and connecting you with job and networking opportunities.

foundation so that  
I'm prepared to  
achieve my goals."**

Sam Dunkel, JD/MS in Accounting/MBA'22

Northeastern's D'Amore-McKim School of Business prepares people and organizations to thrive in a global business environment of rapid-fire change driven by converging digital technologies. The school develops leaders and innovators who are proficient in human, data, and technological literacies; global in outlook and entrepreneurial in mindset; and invested in lifelong learning for themselves and their teams.

## Northeastern University

Founded in 1898, Northeastern is a global research university and the recognized leader in experience-driven lifelong learning. Our world-renowned experiential approach empowers our students, faculty, alumni, and partners to create impact far beyond the confines of discipline, degree, and campus.

Our locations—in Boston; Charlotte, North Carolina; London; Portland, Maine; San Francisco; Seattle; Silicon Valley; Toronto; Vancouver; and the Massachusetts communities of Burlington and Nahant—are nodes in our growing global university system. Through this network, we expand opportunities for flexible, student-centered learning and collaborative, solutions-focused research.

Northeastern's comprehensive array of undergraduate and graduate programs—in a variety of on-campus and online formats—lead to degrees through the doctorate in nine colleges and schools. Among these, we offer more than 195 multi-discipline majors and degrees designed to prepare students for purposeful lives and careers.
