

LLM/MBA

Northeastern University
D'Amore-McKim
School of Business

ADVANCE YOUR LAW EXPERTISE AND EXCEL IN BUSINESS

Lawyers who understand complex legal and business issues are highly valued in today's global marketplace. Our LLM/MBA program allows you to earn advanced credentials by building on your previous law degree, opening the door to new opportunities.

A dynamic dual degree for a dynamic global economy. In our LLM/MBA program, you'll deepen your legal expertise and build a strong foundation of business knowledge in a fraction of the time it would take to earn separate degrees.

A digital-first focus. Your courses at Northeastern Law and the D'Amore-McKim School of Business will develop your critical thinking. You'll learn to analyze data and apply it to strategic decisions, preparing you to lead in today's tech-forward marketplace.

Unparalleled opportunities for experience. Northeastern University is the world leader in experience-powered education. You'll benefit from incredible opportunities to integrate your classroom study with professional experience, including an optional co-op semester through the School of Law. That's one of the reasons *The National Jurist* chose Northeastern as the #1 law school for practical training. Case studies, applied projects, and legal co-ops distinguish our program and will prepare you to excel.

Dan Danielsen, Professor of Law

Northeastern's D'Amore-McKim School of Business prepares people and organizations to thrive in a global business environment of rapid-fire change driven by converging digital technologies. The school develops leaders and innovators who are proficient in human, data, and technological literacies; global in outlook and entrepreneurial in mindset; and invested in lifelong learning for themselves and their teams.

Northeastern University

Founded in 1898, Northeastern is a global research university and the recognized leader in experience-driven lifelong learning. Our world-renowned experiential approach empowers our students, faculty, alumni, and partners to create impact far beyond the confines of discipline, degree, and campus.

Our locations—in Boston; Charlotte, North Carolina; London; Portland, Maine; San Francisco; Seattle; Silicon Valley; Toronto; Vancouver; and the Massachusetts communities of Burlington and Nahant—are nodes in our growing global university system. Through this network, we expand opportunities for flexible, student-centered learning and collaborative, solutions-focused research.

Northeastern's comprehensive array of undergraduate and graduate programs—in a variety of on-campus and online formats—lead to degrees through the doctorate in nine colleges and schools. Among these, we offer more than 195 multi-discipline majors and degrees designed to prepare students for purposeful lives and careers.
