

Part-Time MS in Finance/MBA

Northeastern University
D'Amore-McKim
School of Business

THE KNOWLEDGE TO ACCELERATE YOUR FINANCE CAREER

Designed for Boston-based finance professionals, our program combines the cutting-edge spirit of our renowned MBA program with a deep foundation in finance. Accelerate your career and evolve as a leader with core business skills and specialized financial expertise.

Navigate an industry redefined by technology. Companies need agile financial experts who can lead in a global marketplace reshaped by new technologies and digital transactions. Develop this critical understanding—backed by foundational business principles—as you learn to diversify portfolios, manage risk and return, and sustain growth. Here, you'll gain timely, innovative insights and knowledge that you can apply the very next day.

Expand your skillset with new experiences. Build applied investment experience on the leadership team of the 360 Huntington Fund, our student-run mutual fund. Take part in a unique weeklong Washington, D.C., elective where you'll learn how public policy affects the private sector. These are just some of the experience-powered opportunities that await.

A flexible schedule for your busy life. With the option to begin your program in September or January, you can adjust your schedule each semester. Commit to courses just one night a week or accelerate your degree by taking multiple classes that fit your schedule.

Concentrations to meet your career goals. Strengthen the skills needed to meet your career objectives by selecting up to two of these 15 concentrations:

- Analytics
- Brand Management
- Business Management for Healthcare
- Corporate Finance
- Corporate Innovation
- Corporate Renewal
- Entrepreneurship
- International Business
- Investments
- Leading People & Organizations
- Marketing
- Marketing Analytics
- Mutual Fund Management
- Operations and Supply Chain Management
- Sustainability and Business

A WORLD OF BENEFITS

World-class faculty. Your professors are pioneering scholars and business leaders with deep experience and understanding of how data and technology are accelerating change in today's economy.

Corporate partnerships. Financial services leaders shape our curricula, lecture, lead workshops, collaborate with students on projects and micro-internships, and recruit our outstanding graduates.

Build your professional network. Your classmates will challenge you and support you, becoming part of your professional network and Northeastern family. Many of our graduates tell us this is the most rewarding part of the program.

Personalized career support. Your dedicated Graduate Career Center advisor will be available throughout your career to help you position yourself to excel as a leader in a rapidly changing financial services industry.

ACCESSIBLE ADVANCEMENT

- Enjoy a part-time schedule tailored working professionals
- Attend classes at either 5:20 or 7:30 p.m. Monday through Thursday
- Choose up to two concentrations
- Graduate in under four years, depending on course load each semester
- Start in January or September

In the 360 Huntington Fund, we use real money, invest in real stocks in the market, and operate as a real mutual fund. All of our research uses the exact same tools used by industry professionals. I use a number of tools in my daily work life that I learned how to utilize while getting my MS in Finance/MBA at D'Amore-McKim. They are standard for the industry and because I've used them and understand them, it increases my value to a company."

Manny Epperly, MS in Finance/MBA'15

Northeastern's D'Amore-McKim School of Business prepares people and organizations to thrive in a global business environment of rapid-fire change driven by converging digital technologies. The school develops leaders and innovators who are proficient in human, data, and technological literacies; global in outlook and entrepreneurial in mindset; and invested in lifelong learning for themselves and their teams.

Northeastern University

Founded in 1898, Northeastern is a global research university and the recognized leader in experience-driven lifelong learning. Our world-renowned experiential approach empowers our students, faculty, alumni, and partners to create impact far beyond the confines of discipline, degree, and campus.

Our locations—in Boston; Charlotte, North Carolina; London; Portland, Maine; San Francisco; Seattle; Silicon Valley; Toronto; Vancouver; and the Massachusetts communities of Burlington and Nahant—are nodes in our growing global university system. Through this network, we expand opportunities for flexible, student-centered learning and collaborative, solutions-focused research.

Northeastern's comprehensive array of undergraduate and graduate programs—in a variety of on-campus and online formats—lead to degrees through the doctorate in nine colleges and schools. Among these, we offer more than 195 multi-discipline majors and degrees designed to prepare students for purposeful lives and careers.
