

# MS in Management (MS x) Online Curriculum

## with a concentration in Healthcare Administration

### Benefit from a powerful healthcare partnership.

D'Amore-McKim's Online MS in Management with a [concentration in Healthcare Administration](#) is designed for those looking to transition into the growing healthcare industry. Leveraging a unique partnership between Northeastern University and the Mayo Clinic of Medicine and Science, this program offers a comprehensive overview of the industry, including healthcare policy, management, finance, and quality improvement. With its focus on leadership and strategy, courses prepare you to lead in a time of rapid transformation in care delivery.
