

# Full-Time MS in Finance/MBA Curriculum

Today’s rapidly changing business world is disrupting industries, and businesses need leaders highly skilled in both finance and business.

D’Amore-McKim’s Full-Time MS in Finance/MBA program will help you gain advanced financial skills and high-level knowledge to drive financial strategy, increase shareholder value, support flexible operating models, minimize risk, and maximize revenue. Your 67-credit program begins with one semester of MBA foundation courses and a career management course. In your second term, your concentration and elective courses begin, which includes opportunities for experience-powered learning. Your second year includes a paid corporate residency that lasts either 3 months, 6 months, or up to 12 months, in addition to earning the remaining credits toward your degree.
