

# → Online MBA Accelerated Curriculum Map

**Welcome to a unique Online MBA, where twenty percent of your courses will be experiential.**

Northeastern University's D'Amore-McKim School of Business prepares future-focused business leaders. The Online MBA program integrates business knowledge with an understanding of larger societal challenges, preparing you for a digital-first economy where you'll need to find creative solutions to complex business and pressing societal challenges. Through immersive projects, you'll tackle business challenges in actual organizations. You'll focus on complex issues where multiple approaches are possible and numerous solutions need evaluation.

## Typical Timeline

\*The curriculum is subject to change by D'Amore-McKim faculty. Elective classes may have prerequisite requirements and may not be offered every term. You are encouraged to work with your academic advisor when planning your schedule.

\*\* All students joining the program via Performance-Based Admissions must complete two Pathway Courses before enrolling in any other Online MBA course. Both Pathway Courses are offered every term.
